

NEIT uses **Next-Generation ACCUPLACER** tests to help find out which courses are best for you.

! **Next-Generation Reading:** assesses the test-taker's ability to derive meaning from a range of texts and to determine the meaning of words and phrases in short and extended contexts.

! **Next-Generation Arithmetic:** includes computation, order of operations, estimation and rounding, comparing and ordering values in different formats, whole number operations, fractions, decimals, percents and conversions.

! **NEIT Writing Sample:** Evaluates your writing ability. You will be given several general interest topic choices and asked to provide a 5-paragraph essay. You are free to use Microsoft Word and its grammar and spelling check to write your best essay.

PLACEMENT MATTERS

Studying for your placement tests can help you place into college-level courses—please do your very best work!

STUDYING HELPS

Studying is easy with the free ACCUPLACER study app, giving you access to practice anytime, anywhere.

Explore practice questions and get feedback on the skills you need to focus on the most. ***Make sure to use the Next- Generation version of the study app for Reading and arithmetic only.**
